## **BURRIED CABLE INTRUSION DETECTION SYSTEM**

High Throughput

Low Power Consumption

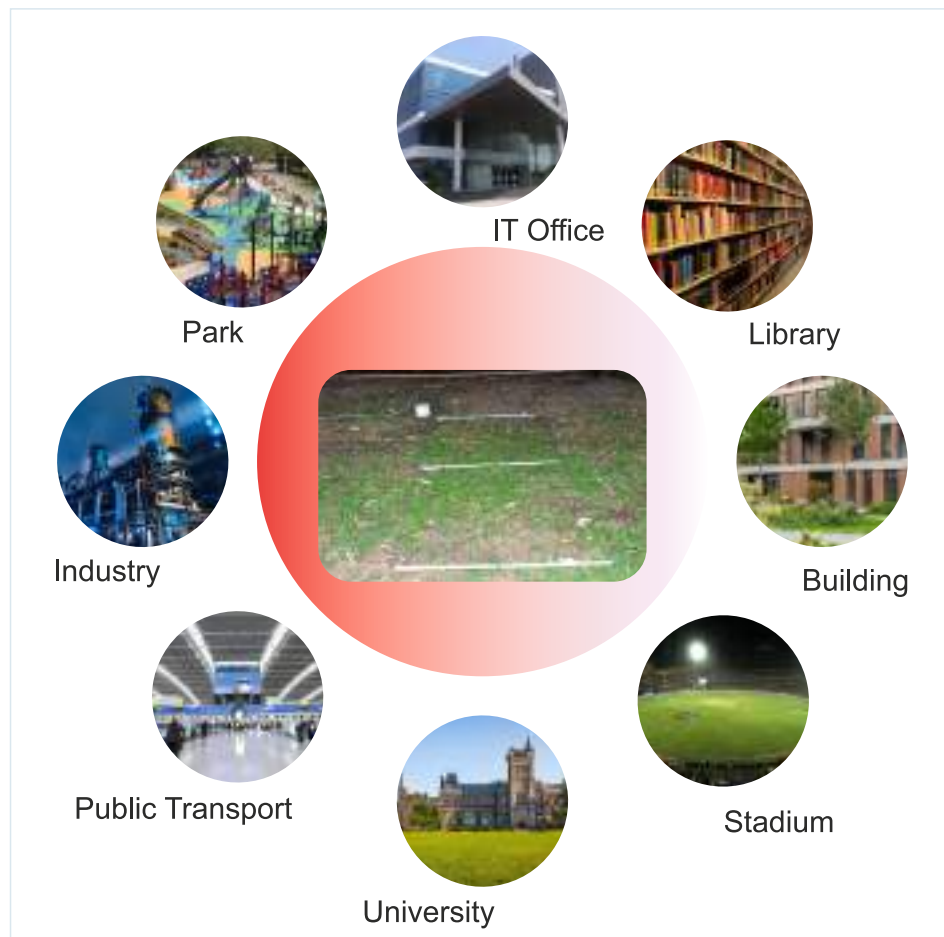

Best After Sales Service

# Features

- Works on Magnetic Anomaly Detection principle.
- A Passive system and needs Minimal/Nil Maintenance.
- Detects only armed intrusion.
- No nuisance alarms due to movement of animals.
- Terrain following & continuous coverage with zones of size 75 -100 mtrs.
- Works in temperature range of -30 to + 50°C.
- Cable can be buried under snow, vegetation, grass, concrete or asphalt.

## Applications

- To detect armed intruder at forward areas.
- The sensor loops are buried under ground and are connected to microprocessor based field units. Data cable run from field units to alarm units / Central monitoring station.

## Warranty

Sivananda Electronics warranties its products against defects in material and workmanship for a period of one year from the date of installation or 15 months from the date of dispatch, whichever is earlier. This warranty excludes normal wear on finishes or damage that occurs due to abuse or misuse.

## Our Other Products

- ❖ **Instruments:** 200+ types of test equipment's for Power, Wire & Cable, Capacitor, Oil & Petroleum industries are developed by in-house R&D Lab. Surge Testers, Automatic C&Tan Delta Bridges, Transformer Windings Resistance Meters, Oil Insulation Test Kits, Oil Tan Delta, Volume Resistivity & Dielectric constant Meter, Insulation Resistance Tester, Contact Resistance Meter etc.
- ❖ **Security :** Turnstiles, Tripods, Barriers, Metal Detectors, Bollards etc.

**Disclaimer :** To Keep pace with the technology Sivananda Electronics reserves it's right to update the system without prior consent.

## About Us

- 50 years (in 2020) of service to India.
- 1<sup>st</sup> to develop metal detectors for security in India. Made in India.
- 1<sup>st</sup> to develop Turnstiles in India. Made in India.
- Eclina Awards (1995), Eleccrama Awards (1996), NIMA Awards (1999)
- Leading manufacturers of Security Systems and Test & Measuring Instruments in India.
- Largest supplier of Turnstiles in India in the last 25 years
- 150 different types of Electronic Test & Measuring instruments are indigenously developed for many industries.
- Exporting to 70+ countries.
