## PULSE WIRE MESH

High Throughput

Low Power Consumption

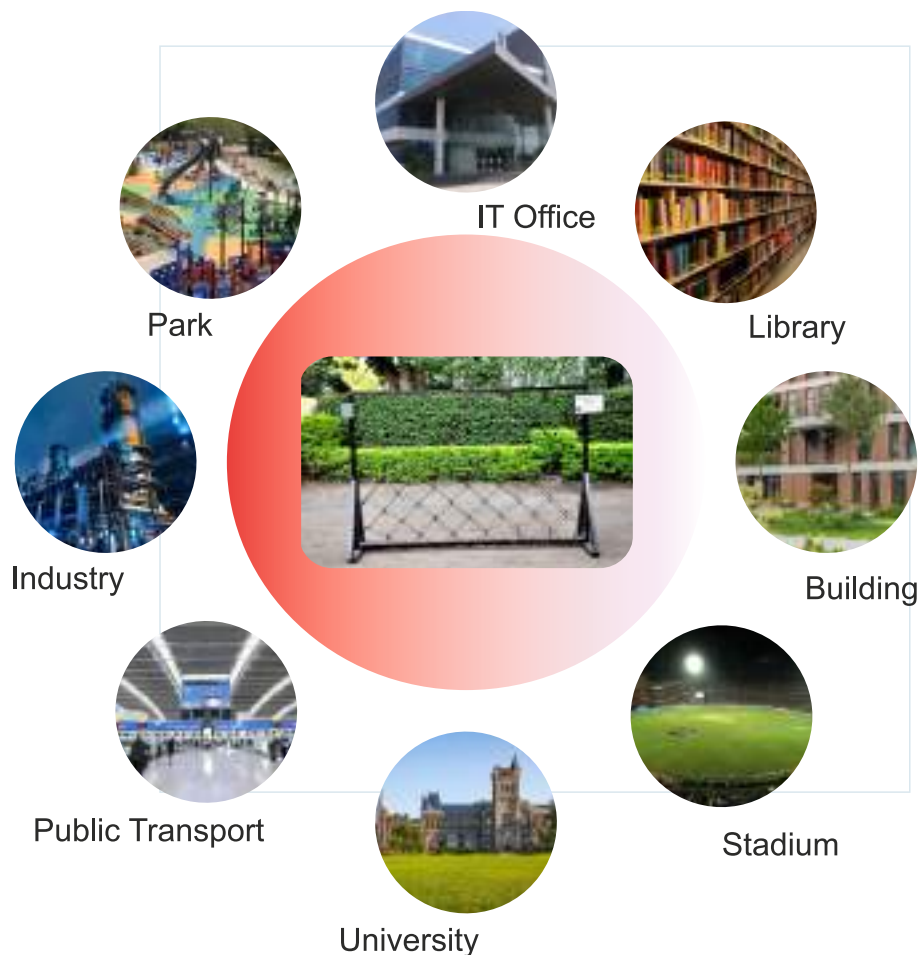

Best After Sales Service

## Features

- The PWM system can be installed to cover the full height of the fence.
- It can be also installed as a wall over hang to avoid climb over attempts.
- PWM system offers more reliable and cost effective solution as compared to an Optic Fiber Mesh system.
- No nuisance alarms. No False alarms. Alarm raised only on attempts to breach the fence.
- Reliable alarm algorithm to totally avoid false alarms.

### Applications:

- Can be installed over the existing fence and can detect cutting through attempts.
- Can be installed on posts for perimeter protection on temporary locations/sites/ camps etc.
- Flexible & Foldable system - can be carried in suitcase to any location.
- If mesh is damaged or cut, it can be repaired on site.

## Warranty

Sivananda Electronics warranties its products against defects in material and workmanship for a period of one year from the date of installation or 15 months from the date of dispatch, whichever is earlier. This warranty excludes normal wear on finishes or damage that occurs due to abuse or misuse.

## Our Other Products

- ❖ **Instruments:** 200+ types of test equipment's for Power, Wire & Cable, Capacitor, Oil & Petroleum industries are developed by in-house R&D Lab. Surge Testers, Automatic C&Tan Delta Bridges, Transformer Windings Resistance Meters, Oil Insulation Test Kits, Oil Tan Delta, Volume Resistivity & Dielectric constant Meter, Insulation Resistance Tester, Contact Resistance Meter etc.
- ❖ **Security:** Turnstiles, Tripods, Barriers, Metal Detectors, Bollards etc.

**Disclaimer :** To Keep pace with the technology Sivananda Electronics reserves it's right to update the system without prior consent.

## About Us

- 50 years (in 2020) of service to India.
- 1<sup>st</sup> to develop metal detectors for security in India. Made in India.
- 1<sup>st</sup> to develop Turnstiles in India. Made in India.
- Eclina Awards (1995), Elecrama Awards (1996), NIMA Awards (1999)
- Leading manufacturers of Security Systems and Test & Measuring Instruments in India.
- Largest supplier of Turnstiles in India in the last 25 years
- 150 different types of Electronic Test & Measuring instruments are indigenously developed for many industries.
- Exporting to 70+ countries.
